Education

Sep. 2024–present	**PhD in Mathematics**, ETH Zurich Supervisor: Rahul Pandharipande
Dec. 2023–May 2024	**Master Thesis**, The Logarithmic Picard group of a Logarithmically Smooth Scheme Supervisor: Samouil Molcho
Sep. 2023–Jul. 2024	**Master in Mathematics**, ETH Zürich
Mar. 2024	**Spring School in Non-Archimedean Geometry, Birational Geometry and Resolution of Singularities** Heidelberg University
2022	**Bachelor Thesis**, Fun with Fields On the relationship between fundamental groups and Galois groups Supervisor: Dr. Menny Akka Ginosar
Sep. 2019–May 2023	**Bachelor in Mathematics**, ETH Zürich

Awards and Scholarships

2024	**Pólya Prize**, ETH Zürich Awarded annually to 1 outstanding graduate of the Bachelor's degree in mathematics
2023	**Excellence Scholarship & Opportunity Programme (ESOP)**, ETH Zürich Scholarship fully covering living expenses and study fees, awarded annually to 2 Master applicants in mathematics and applied mathematics

Teaching

Sep.–Dec. 2023	**Teaching Assistant in Linear Algebra**, ETH Zürich
Feb.–May 2022	**Teaching Assistant in Topology**, ETH Zürich
Sep.–Dec. 2021	**Teaching Assistant in Complex Analysis**, ETH Zürich

Employment

Sep. 2022–Sep. 2023	**Civil Service, Assistance in Research**, Swiss Federal Institute for Forest, Snow and Landscape Research WSL Algorithm design, UI development (shiny R), data-driven research, programming (C, R and Python)

Other

- Languages: English (mother tongue), German (mother tongue), Italian (Fluent), French (B2), Swedish (A1)
- Extracurricular: Jugend Orchester Thurgau (2. Violin), Volunteer for the Swiss Biology Olympiad
